**MOTION FOR EXTENSION OF TIME**

Comes the OLDHAM COUNTY WATER DISTRICT ("Oldham"), by Counsel, and moves the Commission to grant Oldham a 30 day extension of time in which to file its Response to the First Data Request of Commission Staff. For cause, Oldham states as follows:

1. The First Data Request of Commission Staff to Oldham was dated January 7, 2004, but was not received by the undersigned attorney until Monday, January 12, 2004. The deadline for filing the Response is January 17, 2004.
2. The undersigned attorney is obligated to make an out-of-office business trip on January 14-16, 2004. Therefore, he will be unable to obtain the necessary information from his clients until after the original deadline.

3. Consequently, Oldham will be unable to prepare and file its Response within the original time allotted.

4. Oldham respectfully requests the Commission to enter an Order extending the deadline for filing its Response to the First Data Request of Commission Staff until February 16, 2004.

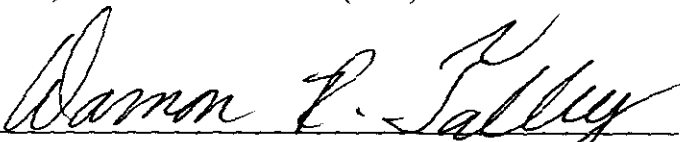

5. Oldham represents that it will be able to file its Response on or before February 16, 2004.

6. Oldham is not making this motion for the purpose of delaying these proceedings, and no prejudice will result to anyone if the Commission grants this motion.

For the foregoing reasons, Oldham respectfully requests the Commission to grant an extension of time through and including **February 16, 2004** in which to file its Response to the First Data Request of Commission Staff.

This 13<sup>th</sup> day of January, 2004.
